

Action Taken Report ²⁰2020-21(Student Feedback)

The college has designed a feedback form to collect the information about satisfaction level of students in the college. The feedback form covers variety of questions related to three major aspects

- Curriculum
- Teaching and learning
- Administration

Overall feedback of the students was very good.

As per COVID 19 protocols of Central & State govt., online teaching mode was adopted keeping in view student safety. Few students complained about technical issues in online teaching.

Following actions were taken on the basis of suggestions of the students-

- ❖ Faculty Development Programme was organized by Computer Science Department at the beginning of the session for providing Technical Training to the staff members.
- ❖ Students were also given training for attending online classes by their respective teachers.
- ❖ Students were updated with the methods for accessing E-books .
- ❖ Various ICT tools were provided to the staff members to ensure smooth online teaching mode.

Action Taken Report 2020-21 (Teacher Feedback)

Suggestions	Action Taken
There should be some mechanism where senior teachers provide guidance to junior teachers about research projects, research paper writing and publications	It was decided that IQAC will organize Workshop/Seminar providing technical guidance to Write a Research Paper for the Teaching Staff to inculcate the habit of research in them.
the incentives must be given to well performing staff members and ICT facilities should be increased for teachers.	Due to Covid 19, to maintain the quality level of teaching college facilitated the staff with new Tripods, Webcams, Headphones, zoom platform subscription.
Subject related magazines/ journals should be available in the library	Due to Pandemic, teachers were advised to utilize the <u>E-books, e-Journals, and N-list etc.</u>
